Dear Ted

You are correct in suspecting that the Morning Star holds copyright for Gabriel's work in the Cartoons from the Daily Worker publication.

However, you are also correct in assuming that our paper would be happy for his cartoons to be appreciated more widely and that all I, as editor, would require from a progressive website is acknowledgement of our agreement to its publication.

Thanks for getting in touch. I wish you well with your admirable site.

In solidarity

John Haylett
