

DOWN WITH 'PEACE MARCHES'! REVOLUTION IS THE MAIN TREND IN THE WORLD TODAY!

"WE ARE ADVOCATES OF THE ABOLITION OF WAR, WE DO NOT WANT WAR; BUT WAR CAN ONLY BE ABOLISHED THROUGH WAR, AND IN ORDER TO GET RID OF THE GUN IT IS NECESSARY TO TAKE UP THE GUN." --Chairman Mao

This Saturday, Oct. 31, the Holy Alliance of the so-called "left"--composed of all those groups which oppose dissemination of MaoTse-tung Thought and armed defense against fascism--has called another "peace march". This proves that the Holy Alliance has totally ignored the warnings of the genuinely revolutionary and democratic people and is continuing its efforts to deceive the American working class and people on the question of how to achieve peace and an end to unjust bloodshed for all mankind. It is our purpose, in this special issue of PEOPLE'S AMERICA DAILY NEWS, to show how the genuine anti-fascist and anti-imperialist forces in the world are standing up to "FIGHT TO WIN PEACE" by eliminating the cause of war--the existence of class society dominated by a small minority of parasites--through armed revolutionary struggle, the establishment of the Dictatorship of the Proletariat and the transition to a socialist world without exploitation.

On May 20, 1970, Chairman Mao, leader of the world's people, issued a solemn statement in support of the struggle of the world's people against U.S. imperialism and all its running dogs. In this statement, he said: "REVOLUTION IS THE MAIN TREND IN THE WORLD TODAY." Since May 20, the world-wide revolutionary united front against the U.S. monopoly capitalists, headed by China and Chairman Mao, the three Indo-Chinese peoples and the Palestinian people, has grown and developed rapidly while U.S. imperialism has greatly weakened and grown desperate, heading for total collapse. In this situation, the revolutionary forces among the American people have stood up to join progressive humanity in its great march forward, while the reactionary elements have decayed with increasing speed.

During the last six months, while the Holy Alliance was holding endless bureaucratic conferences to decide whether to advance their reformist program around one or "multi" issues, the genuinely revolutionary forces held three very important demonstrations. In Cleveland, June 20, the American Communist Workers Movement (Marxist-Leninist) led about fifty revolutionary youth and students in denouncing Spiro Agnew, mouthpiece of fascism, whose racist, anti-communist and anti-youth propaganda is a leading element in the effort of the Nixon-Agnew clique to consolidate their bourgeois fascist dictatorship. When the Holy Alliance forces--all gathered in Cleveland for a conference--refused to denounce the fascist police guarding Agnew, and when a socialist-in-words, fascist-in-deeds "progressive" party led its followers away from Agnew to denounce the liberal mayor Stokes as main enemy instead, the genuinely revolutionary youth and students raised the slogan "Trots and fascists, hand-in-hand!" and marched resolutely across the street to hold a militant rally right under the noses of the fascist police. At the rally, these

anti-fascist fighters proudly announced their love for Chairman Mao, and sternly condemned the Holy Alliance, whose frantic agents were physically restraining the sincere people among their followers from joining the revolutionary demonstration.

On July 26, also in Cleveland, the Nixon-Agnew clique made a brazen bid to develop a civilian fascist movement through the "hard-hat" hoax. These criminal goons, most of them police and small businessmen dressed up as construction workers, had viciously attacked the progressive people in New York and elsewhere in the name of the myth that the white workers are racist and anti-communist, i. e., fascist. In Cleveland they had encountered fierce resistance from our comrades and the broad masses throughout the spring. On July 26, after doing widespread, detailed anti-fascist propaganda among the working people, twenty-five members and supporters of the American Communist Workers Movement (M-L) attacked these flimsy elements and marched right through their midst. The vaunted "hard-hats" collapsed and called for the support of the fascist police, and in the fight that followed, five police were injured and large numbers of Black, white and Puerto Rican working people came up to resist the fascist police and denounce and attack the "hard-hats". Thus all the propaganda of the Holy Alliance (that the "hard-hats" represent the genuine aspirations of the working class) was smashed to smithereens. Thus the plan to develop an open fascist movement among the people and consolidate the imperialists' position to wage war of aggression abroad, met with its first serious defeat. This the once-feared "hard-hats" were exposed as paper tigers.

On Oct. 7, in New York, members of the American Revolutionary Youth and American Student Movement (Anti-Imperialist) thoroughly smashed the attempts of the Zionist "Jewish Defense League" to disrupt a demonstration in support of the national liberation struggle of the Palestinian people. These goons are also part of the bourgeoisie's attempt to build a fascist movement, this time trying to distort the anti-fascist sentiment of the Jewish people and turn it against the Arab people's just struggles. JDL has made terrorist attacks (on the Black Panthers and Palestine Liberation Organization in New York) to try to keep anti-imperialist solidarity with the Palestinian people from developing. Like the "hard-hats", JDL has served as a vanguard fascist element depending entirely on mythical power and fear, and the Holy Alliance has never challenged this myth nor given any support for Palestine. Incensed at this cowardice, the genuine anti-fascist forces once again pitted themselves AGAINST HEAVEN AND EARTH" and at one blow reduced JDL to a pitiful mockery. The social-fascist party and an "ultra-left" trotskyite group were present but they offered JDL no resistance and the social-fascists later made deals with the police to isolate the communists.

These three resolute demonstrations, organized by the devoted followers of Chairman Mao, showed that only by "FEARING NEITHER HARDESHIP NOR DEATH" and opposing

counter-revolutionary violence with revolutionary violence, can the world move forward and the road be cleared to real peace. They exposed the link between the call of the bourgeoisie and Holy Alliance for "peace" in Indo-China and Palestine and their call for "peace" with fascist Nixon at home.

TWO LINES IN PEACE MARCHES

THE QUESTION OF PEACE IS A CLASS QUESTION. Each class sues for peace for its own ends. When it suits the imperialists to have "peace", they make cunning noises about it all over the world. For them the question of "peace" is a part of the scheme of the aggressor to consolidate aggression, a tactic. They invade other countries and people, conquering and viciously repressing them, and then hypocritically moan about "peace" in order to stabilize their gangster rule. The U.S. imperialists, since the Second World War alone, have committed armed fascist aggressions in Indo-China (Vietnam, Laos and Cambodia) China, Korea, Thailand, Iran, Lebanon, Congo, Guatemala, Cuba, Panama, Dominican Republic, just to name a few. Throughout this period, they have consolidated military bases all over the world and have prepared for small and large wars without any let-up. Alongside with this direct armed U.S. imperialist aggression, they also have agents who cry about "peaceful settlements" and the "necessity for peace" in order to consolidate the imperialist stranglehold over these countries. Their double tactic of war to commit aggression and take-over and "peace" as a means of consolidating aggression has been bared to the broad masses of the people. During the period when the imperialists make shrill noises about "peace" they always make further war preparations to launch wars of aggression, exploitation and plunder. Thus the "peace" that the U.S. imperialists and reactionaries of all countries want is a sham peace and is only another deceptive way to oppose the interests of the people.

Did the Hitlerite Nazis not run world-wide propaganda for "peace" after they had taken over several European countries through open war, destroyed industrial complexes and made further war preparations to launch invasions against other countries during the Second World War? Yes, they did talk about "peace" in order to commit more fascist aggressions. Did the Israeli Zionists not talk about "peace" after their armed aggressions against the Palestinian and Arab people in 1948, 1956 and 1967 and now in the so-called Rogers "Peace" Plan? Yes, they did --in order to exterminate more Arab people and expropriate their lands. Did the Japanese militarists not talk about "peace" after their invasion of China? Did the Kennedy-Johnson-Nixon imperialist gangs not cry for "peace" after every armed aggression? Did not Nixon trumpet the same nonsense all over again with his "new peace initiative" for Indo-China? History books are full of facts to show that all aggressors want "peace" in order to consolidate the gains of their aggression and make preparations for further aggressive designs.

YOUNG COMMUNIST WORKER DARRYL AUSTIN "FEARS NEITHER HARDESHIP NOR DEATH!" HE HAS PLEDGED TO SERVE THE INTERESTS OF THE WORKING AND OPPRESSED PEOPLE HEART AND SOUL BY ATTACKING THE FASCIST AGENTS OF THE U.S. MONOPOLY CAPITALIST CLASS AT EVERY CHANCE. HE IS SHOWN HERE DEMONSTRATING HIS REVOLUTIONARY ATTITUDE WITH CONCRETE ACTS DURING THE JULY 26 DEMONSTRATION WHEN THE REVOLUTIONARY YOUTH CRASHED THE ATTEMPT TO DRESS UP POLICE AGENTS AND SMALL BUSINESSMEN AS WORKERS IN ORDER TO START A FASCIST BROWN-SHIRT "HARD-HAT" MOVEMENT IN CLEVELAND, OHIO.

FOR THE WORKING AND OPPRESSED PEOPLE OF THE WORLD, THE STRUGGLE FOR LASTING PEACE AND INDEPENDENCE IS NOT A TACTIC BUT A CHERISHED STRATEGIC GOAL. THEY COMPRISE MORE THAN NINETY PERCENT OF THE PEOPLE AND ARE GOOD. They are fully cognizant of the fact that real peace cannot be achieved without eliminating the real cause of all present-day and future wars, the U.S. imperialists, Soviet social-imperialists and reactionaries of all countries. Real peace will be ushered in on this beautiful earth when these monsters are buried in the ground once and for all. In order to achieve this goal, the working and oppressed people of the whole world have been engaged in revolutionary wars for centuries. Did the Russian people not engage in revolutionary war to overthrow the Tsars and their successors, the bourgeois provisional government, and did they not open up a bright red road to emancipation for the whole of mankind? Are they not persisting in struggle against the modern revisionists, the new tsars who have temporarily seized state power? Did the Chinese people not overthrow the feudalists, bureaucrat capitalists, foreign imperialists and their agents from their country? Are they not persisting in building a socialist economic base and culture, working hard to liberate those areas still under foreign occupation, and

assisting revolutionary struggles all over the world? Did the people of Vietnam not struggle against the French colonialists and Japanese militarists? Are they not persisting in revolutionary struggle against U.S. imperialist aggressors and their lackeys? Did the anti-colonial wars not break out in all the colonies during the nineteenth and twentieth centuries? Did the Irish people not fight against the English colonialists for centuries? Have the Quebecois not kept fighting against English Canadian colonialists for more than a century? Have not the Black people and other members of nations and national minorities colonized by the U.S. imperialists continued to rise in armed struggle for over 300 years? Has not the American working class constantly attacked the bourgeoisie with fists, guns and bombs ever since its birth? Yes, they all did and they are all persisting in carrying the struggle through to the last.

Chairman Mao Tse-tung has pointed out: "MAKE TROUBLE, FAIL, MAKE TROUBLE AGAIN, FAIL AGAIN...TILL THEIR DOOM; THAT IS THE LOGIC OF THE IMPERIALISTS AND ALL REACTIONARIES THE WORLD OVER IN DEALING WITH THE PEOPLE'S CAUSE, AND THEY WILL NEVER GO AGAINST THIS LOGIC. THIS IS A MARXIST LAW. WHEN WE SAY 'IMPERIALISM IS FEVERISH', WE MEAN THAT ITS NATURE OCCURS". (Cont. on pg. 2)

WILL NEVER CHANGE, THAT THE IMPERIALISTS WILL NEVER LAY DOWN THEIR BUTCHER KNIVES, THAT THEY WILL NEVER BECOME BUDDHAS, TILL THEIR DOOM.

"FIGHT, FAIL, FIGHT AGAIN, FAIL AGAIN, FIGHT AGAIN... TILL THEIR VICTORY; THAT IS THE LOGIC OF THE PEOPLE, AND THEY TOO WILL NEVER GO AGAINST THIS LOGIC. THIS IS ANOTHER MARXIST LAW. THE RUSSIAN PEOPLE'S REVOLUTION FOLLOWED THIS LAW, AND SO HAS THE CHINESE PEOPLE'S REVOLUTION." So will the American people's revolution.

Thus the working and oppressed people of the world desire permanent peace while the imperialists and all reactionaries want permanent war, plunder and genocide. The two will never go against their true basic interests. The two antagonistic forces sue for peace for opposite reasons.

As the question of peace is a class question, so is the question of war. Chairman Mao penetratingly points out: "EXCEPT FOR THE REVOLUTION WHICH REPLACED PRIMITIVE COMMUNES BY SLAVERY, THAT IS, A SYSTEM OF NON-EXPLOITATION BY ONE OF EXPLOITATION, ALL REVOLUTIONS ENDED IN THE REPLACEMENT OF ONE SYSTEM OF EXPLOITATION BY ANOTHER; OUR REVOLUTION, THE REVOLUTION OF THE PROLETARIAT AND THE COMMUNIST PARTY, IS THE ONLY REVOLUTION AIMING AT THE FINAL ELIMINATION OF ALL SYSTEMS OF EXPLOITATION AND ALL CLASSES."

Thus, there are revolutionary wars being waged by the working and oppressed people of the whole world which are aimed at elimination of all systems of exploitation and all classes. These revolutionary wars are just wars because they will lead the world to move forward and they have the support of all progressive humanity. Opposing these wars are the imperialists and reactionaries of the whole world, who engage in unjust wars. Unjust wars are wars of aggression and intervention against other peoples and nations. In order to wage these wars the imperialists must first exploit and repress their own people --for example, by further developing fascist rule in the United States. These wars of plunder and genocide are aimed at consolidating the vicious system of exploitation and stopping the development of the subjugated countries, to maintain the interests of the imperialists and reactionaries. All wars which break out against unjust wars are just wars.

THE JUST WARS ELIMINATE ALL THE OBSTACLES TO PROGRESS AND LAY THE FOUNDATION FOR MOVING FORWARD. The imperialist war of aggression against the heroic Vietnamese people is an unjust war. It has brought into "power" the most decadent forces in order to harness the development of the Vietnamese society. It has forced untold misery and suffering upon the heroic Vietnamese people. The war of the heroic Vietnamese people against U.S. imperialist aggression and for national salvation is a just war and it is bound to be victorious. Although the U.S. imperialists, Soviet social-imperialists and all reactionaries are trying their utmost to suppress and sabotage all the anti-imperialist-socialist revolutions, all their attempts will come to no good end. The expanding aggression of the U.S. imperialists and their accomplices is stimulating more revolutionary wars against them. The U.S. imperialists, Soviet social-imperialists and all reactionaries, in their vain effort to extinguish the just wars of national liberation and class struggle unleashed by the working and oppressed people of the whole world, threaten the whole world with nuclear holocaust and delude themselves by thinking that this way they can avoid complete extinction. Chairman Mao has pointed out: "WITH REGARD TO THE QUESTION OF WORLD WAR, THERE ARE TWO POSSIBILITIES: ONE IS THAT THE WAR WILL GIVE RISE TO REVOLUTION AND THE OTHER THAT THE REVOLUTION WILL PREVENT THE WAR." The people of the world want to prevent this war. This is why they are embarking on revolution. At the same time, the U.S. imperialists, Soviet social-imperialists and all reactionaries want to liquidate these revolutionary wars and unleash a large-scale global war. In

this infamous role, they use the Holy Alliance of the "left" to divert the attention of the American working class and people away from revolution to abstract struggles for "peace" etc. In order to complete the mass democratic anti-fascist revolution and eliminate world war by eliminating the U.S. imperialists who are the very headquarters of world aggression, the united front of the working class, national minorities and oppressed nations, progressive urban and rural petty-bourgeoisie is growing under the leadership of the genuine followers of Chairman Mao and is striving to defeat the Holy Alliance by developing the revolutionary initiative of the masses and embarking on making revolution.

Thus the question of war as well as of peace is a class question.

The question of how to mobilize our people against fascist Nixon and the agents of monopoly capital is also a class question. The imperialists and their agents infiltrate the peace groups, attempt to mislead them on the questions of war and peace, and attempt to divert their attention from the real issues. The Holy Alliance of the "left" is the main force of the imperialists against the developing revolutionary initiative of the masses. They are the fifth column in the American anti-fascist revolution and are the present-day Judases. For over six years, they have used one trick after another to stop the growing militancy of the people against U.S. imperialist aggression in Vietnam. For example, instead of giving resolute support for just wars of national liberation, they raise the bogus slogan "Bring the 'boys' home." Instead of confronting the fascist police, they help the police arrest the militants, thereby serving their masters and not the people. Instead of inviting resolute anti-fascist and anti-imperialist speakers, they promote an assortment of bourgeois liberals, union hacks and self-indulgent degenerates. Instead of holding mass democracy meetings to develop the political consciousness of the masses, they organize decadent music shows to propagate imperialist culture among the people. They fear the revolutionary slogans: DOWN WITH U.S. IMPERIALISM!!! DOWN WITH SOVIET SOCIAL-IMPERIALISM!!! DOWN WITH FASCIST NIXON!!! U.S. AGGRESSORS GET OUT OF INDO-CHINA!!! ESCALATE PEOPLE'S WAR!! Instead they raise the treacherous slogans of "Power to the Peaceful" and "end complicity." This way, they can attempt to deceive the people that the American working class and people are not oppressed but are "accomplices" of U.S. imperialism. What shameful and despicable stuff these counter-revolutionaries can put out to serve their masters! Many people have remarked during the May upsurge and after: "The time has come to throw these class collaborators out of the ranks of the people! The anti-fascist people must have revolutionary demonstrations and marches, revolutionary discussions in the place of bureaucracy and must answer fascist violence with revolutionary violence!!" That is why the anti-fascist fighters organized three demonstrations, in June, July and October, which struck terror into the hearts of the holy alliance and their defenders, the lackey police. In June, the holy alliance, quite faithful to its treacherous activities, invited scores of union hacks, who have been peddling reform to the workers for years, to defend their demonstration from "The Maoists." The Revisionist (so-called "communist") Party, in particular, has rendered its service to its masters by disarming the people and allowing fascism to run rampant. For example, these dyed-in-the-wool racists have been responsible for the deaths of a score of Black Panthers at the hands of the fascist police by developing practice of "peaceful struggle" in the courts, which only encourages fascist attacks. Recently, the head revisionist criminal, Gus Hall, stated that Angela Davis, a militant supporter of the revolutionary Soledad Brothers, never supported violence. In this way he hopes to discredit her in the eyes of the revolutionary masses and thus allow the fascists to kill or imprison her

at will, so as to have a Black martyr on the revisionist party rolls. All the trotskyite, revisionist and social-democratic groups have denied that fascist rule exist in the United States, have attempted to disarm the people, and have viciously opposed the call to rise up against fascism.

In deceiving the people, the holy alliance always finds some "virtue" in the imperialists and "faults" among the genuine anti-fascist fighters. They have been treacherously upholding the bogey that "Imperialists have good people among themselves -- those who want peace!" Who are these people? According to them Eisenhower was a "good" man while Dulles was a villain; Kennedy was "apostle of peace" while Nixon, warlike; Johnson was originally "dove-like" while Goldwater was a hawk. Did these war-mongers, Eisenhower-Kennedy-Johnson stand for peace? Ask the people of Asia, Africa and Latin-America! Was it not under the guidance of this monster Eisenhower that military blacks like SEATO, and CENTO were hatched? Khrushchev talked about the Camp David "spirit" while the Eisenhower-Nixon clique planned counter-revolution all over the world. What about the Bay of Pigs invasion against the Cuban people and missile crisis? What about the massacre of hundreds and thousands of Congolese, Panamanians and Vietnamese? Did it not take place under the "peace-loving angel" John F. Kennedy? Ask the people of Dominican Republic, Indonesia and Vietnam how "peaceful" Johnson was! Kosygin, the arch-renegade, was meeting in Glassboro, to tell the world that Johnson was "interested in a peaceful solution". Has Nixon behaved any different? He has further developed the aggression planned by his predecessors to all of Indo-China. How about arch-imperialist Senators Fulbright, McCarthy etc? Do they have peaceful intentions? Ask the Black sharecroppers of Arkansas if Fulbright is liberating them from fascist rule. No, you counter-revolutionaries, they are not part of peace forces and neither are you. While the holy alliance was creating illusions about these monsters, they were vilifying the heroic Chinese people and Chairman Mao with all kinds of slanders. "They are pushing the world towards nuclear holocaust", was the sinister propaganda carried against China when the U.S. imperialists and Soviet social-imperialists were themselves engaged in war preparation and armed attacks on other nations and peoples. The holy alliance confounded right and wrong. Who is committing aggression and threatening world peace today? The U.S. imperialists and Soviet social-imperialists!!! The whole world knows it. The Chinese people and Government has not committed any aggression anywhere, exactly as the Soviet Union had no war intentions against anyone until Comrade Stalin's death and subsequent coup d'etat engineered by revisionist Khrushchev in 1956. Now, you arch-renegades, you slander Comrade Stalin, you collaborate with the arch-criminals and police agents, the Trotskyites, and you oppose socialist China. You are not for peace. You talk about "peace" and shed crocodile tears like your imperialist masters and you advocate war and prepare for it against the communists and all other progressive sections of the society. Otherwise, how come you support notorious characters like Gus Hall, Eugene McCarthy, Walter Reuther and William Fulbright and cover up their crimes against real peace?

Today, the U.S. imperialists are increasing war preparation in Japan, India, Germany and Canada. They are preparing public opinion in support of fascism by their non-scientific and decadent theories of "over-population" and "pollution" etc. They have taken up all the arsenal of Hitlerite racism, eugenics, armed terror etc. They are shooting down the revolutionary masses in the streets and passing fascist laws with abandon. And what is the holy alliance doing about it? They are supporting it wholesale by

AMERICAN COMMUNIST WORKERS MOVEMENT (MARXIST-LENINIST)

CALL TO REVOLUTIONARY YOUTH AND STUDENTS!

Against this dark cloud of fascism and imperialist aggression, the American working class and people have risen up. Since 1967 many struggles have broken out which go to show that the American people will not stand for this growing fascism, such as the Black peoples' struggle against racial discrimination and violent repression, the working peoples' struggle against exploitation and oppression, the youth and student struggles against imperialist war and the decadent bourgeois educational system, the many fights for the right to organize politically and the recent fight to smash the "hard-hat" fascist menace.

American youth and students have already played an important role in dispelling the evil shadow of this dark cloud on our people and bringing rays of Mao Tse Tung Thought. Now is the time to increase the struggle to a new level. Now is the time to intensify struggle on the front where imperialists are the weakest, the people are strongest, and the class contradictions the most intense; this is the cultural front. The main content of this struggle is against fascist ideology and culture and against the fascist rules and regulations. It is a political struggle directed toward the seizure of state power. THE AMERICAN COMMUNIST WORKERS MOVEMENT (MARXIST-LENINIST) CALLS UPON ALL REVOLUTIONARY YOUTH AND STUDENTS TO BEGIN WAR OF ANNIHILATION ON THE CULTURAL FRONT! It is this front which is playing the leading role in exploiting and repressing our people. This fascist culture is supported by the monopoly capitalist state machine, the police, the courts and the army. It is here we must hit.

In order to advance the "WAR OF ANNIHILATION ON THE CULTURAL FRONT", THE AMERICAN COMMUNIST WORKERS MOVEMENT (M-L) CALLS UPON ALL REVOLUTIONARY YOUTH AND STUDENTS TO:

- 1) Stand up and denounce in broad daylight all the fascist cultural institutions.
 - 2) Bring down all that is sacred to the monopoly capitalists and their stooges.
 - 3) Denounce the bourgeois "academic authorities."
 - 4) Smash all imperialist films, art, literature, singers, musicians, etc.
 - 5) Stand up to oppose all anti-people ideas, especially racist and militarist ideas designed to justify imperialist war and fascist repression.
 - 6) Smash the attempts to build a fascist mass movement and militantly resist the attacks of the fascist police.
 - 7) Create cultural models which sum up the struggles of the working and oppressed people against the monopoly capitalists and their fascist agents.
 - 8) Organize MAO TSE TUNG THOUGHT STUDY CIRCLES AND MAO TSE TUNG THOUGHT PROPAGANDA TEAMS IN ORDER TO BUILD THE ARMED RED GUARD MOVEMENT.
- 2) DEVELOP UNCOMROMISING HATRED AMONG THE YOUTH AND STUDENTS FOR ALL IMPERIALIST CULTURE AND WIN THEM OVER TO THE MASS DEMOCRATIC ANTI-FASCIST REVOLUTION!

YOUTH AND STUDENTS: AMERICA BELONGS TO US AND NOT TO THE MONOPOLY CAPITALISTS! THE AMERICAN WORKING CLASS AND PEOPLE ARE OUR PEOPLE AND NOT A SOURCE OF LABOR AND CANON FODDER FOR THE MONOPOLY CAPITALISTS AND THEIR AGENTS! THE AMERICAN LAND IS OUR LAND FOR US TO EXPLOIT FOR THE BENEFIT OF THE LARGE MAJORITY OF THE PEOPLE, NOT FOR THE U.S. MONOPOLY CAPITALISTS TO ROB AND PLUNDER IN ORDER TO FILL THEIR COFFERS!

YOUTH AND STUDENTS: FOLLOW THE EXAMPLE OF THE HEROINE MICHELLE SHUBERT WHO HAS THROWN OFF HER "CAREER", DENOUNCED THE IMPERIALIST CULTURE, RESOLUTELY INTEGRATED WITH THE STRUGGLES OF THE WORKING AND OPPRESSED PEOPLE AND NEVER FLINCHED FOR A MOMENT IN ATTACKING THE FASCISTS!

YOUTH AND STUDENTS: FOLLOW THE PATH OF OUR COURAGEOUS COMRADE STEVE SMITH WHO HAS INTEGRATED WITH THE WORKING CLASS AND HAS TAKEN A LEADING ROLE IN DISSEMINATING MAO TSE TUNG THOUGHT, ATTACKING RESOLUTELY THE "HARD-HAT" MENACE AND CARRYING THE FIGHT INTO THE COURTS AND JAILS!

YOUTH AND STUDENTS: FOLLOW THE PATH OF THE YOUNG FILIPINO-AMERICAN COMMUNIST WORKER DARRYL JUSTIN WHO HAS CARRIED FORWARD THE GLORIOUS ANTI-FASCIST TRADITION OF HIS FATHERS AND HAS STOOD UP TO UNITE WITH THE ENTIRE AMERICAN WORKING CLASS AGAINST THE COMMON FASCIST ENEMY!!

YOUTH AND STUDENTS: FOLLOW THE HEROIC EXAMPLE OF THE REVOLUTIONARY YOUTH COMRADE BARBARA CAHN WHO HAS DARED TO STAND UP TO THE FASCIST MONSTERS, REFUSED TO TAKE THE PATH OF PROSTITUTING HERSELF TO IMPERIALISM AND HAS RESOLUTELY DENOUNCED AND EXPOSED THE FASCIST COURTS!

YOUTH AND STUDENTS: FOLLOW THE GREAT REVOLUTIONARY EXAMPLES OF OUR HEROES AND HEROINES WHO HAVE STOOD UP FOR THE AMERICAN WORKING CLASS AND PEOPLE, FOR THE ANTI-FASCIST STRUGGLE, FOR THE DICTATORSHIP OF THE PROLETARIAT AND FOR OUR BELOVED LEADER CHAIRMAN MAO AND MAO TSE TUNG THOUGHT!!

ARISE, ALL YOUTH AND STUDENTS: BRING YOUR WRATH ONTO THE U.S. MONOPOLY CAPITALISTS AND ALL THEIR FASCIST STOOGES!

SERVE THE PEOPLE HEART AND SOUL!! BUILD A BRIGHT NEW PEOPLE'S REPUBLIC OF AMERICA ON THE DEAD BODIES OF ALL MONOPOLY CAPITALISTS, FASCIST BROWN-SHIRTS IN THE GUISE OF "HARD-HATS", FASCIST LACKEY POLICE AND COURTS, FASCIST EXPERTS AND SOCIAL FASCISTS!

pushing the hoax that Gandhi pushed in India, a non-violence against the oppressor. The holy alliance of the "left", in fact, is the most active spokesman of all fascist theories of imperialism. Working class is "backward". Masses are "ignorant". The real problem in the world is "peace", "pollution" and "population" etc. This further reveals the true characteristics of the holy alliance.

The question of peace, how to achieve and consolidate it is a class question. On all issues, the holy alliance takes the side of the fascists while the united front of the left, headed by the American Communist Workers Movement (Marxist-Leninist) and other genuine followers of Chairman Mao, opposes all imperialist aggression abroad and fascist repression at home with the heart of Chairman Mao's May 20th Statement as their guiding light: "REVOLUTION IS THE MAIN TREND IN THE WORLD TODAY." Whoever agrees with this call will dare to oppose fascism, make revolution and build real peace. Whoever opposes this, will grovel before the fascists and be accomplice to the continuance of

war of aggression. The genuinely progressive and democratic forces in the anti-fascist struggle take the threat of the holy alliance seriously, and their capacity for disrupting the close unity of the people against our common enemy with great caution. The endless, nauseating series of marches on the same theme of begging the imperialists for peace while opposing class struggle, have clearly revealed the true nature of the holy alliance and its mischief value, as well as the rising united front of the people against them. The struggle against the holy alliance has already moved forward with great strides, especially since the May upsurge; coming months and years will vindicate the truth of our analysis and see the final decay and overthrow of these backward elements.

DOWN WITH THE HOLY ALLIANCE! REVOLUTION IS THE MAIN TREND IN THE WORLD TODAY!

PEOPLE OF THE WORLD, UNITE AND DEFEAT THE U.S. AGGRESSORS AND ALL THEIR RUNNING DOGS!
